Conditions - Concrete Cubes

This form is supplied for the convenience of customers and remains the property of Testing & Consultancy Services Ltd. It is to be used in connection with cubes to be tested by Testing & Consultancy Services Ltd. only.

Cubes are accepted and stored before test at the Customer's risk.

Cubes are discarded after test unless their return or retention are specifically requested before testing.

Unless previously requested, cubes due on Saturdays, Sundays or Public Holidays will be tested on the nearest working day. An extra charge will be made for tests which must be carried out on a Saturday, Sunday or Public Holiday.

Results will be reported to one address. Extra copies or addresses will be charged as an increase in cube price.

Failed cubes will only be retained for 10 days after test unless otherwise directed.

Unless otherwise requested in writing the spare samples collected will be retained and tested at 56 days when associated test results are marginal / suspect. Samples will otherwise be discarded following test.

All testing will be carried out in accordance with the British Standards applicable to TCSL's current UKAS Schedule unless otherwise agreed with the customer.
